

Public transport

Many people choose the public transport if they want to save money. So they travel by bus, train, subway or trolley.

Advantages:

- cost (it is cheaper than travelling by car)
- you just have to go to the bus stop or railway station, buy a ticket and get on the bus or train
- you don't have to repair it or pay insurance

Disadvantages:

- it is not so comfortable
- sometimes the seats are dirty
- you have to wait at the bust stop when the weather is rainy
- the bus can late or you can miss it
- you have to pay attention to its timetable

Travelling by car

Advantages:

- you can travel wherever you want
- you can use a car in case of urgency/emergency
- you don't have to travel when timetable says you can

Disadvantages:

- you can be stuck in a traffic jam
- you have to pay for car park and petrol
- because you cannot sleep when you drive, you cannot relax

Travelling by bicycle

Advantages:

- it is healthy and makes you body fit and you can lose weight
- yo don't pollute the environment
- you don't have to pay attention to the timetable

Disadvantages:

- if the weather is rainy, windy or stormy you can be wet and catch cold

Travelling by plane

Advantages:

- the fastest way of travelling
- it is comfortable

Disadvantages:

- it is the most expensive way to travel
